MEMORANDUM FOR THE RECORD

Morning Meeting of 22 November 1967

DD/I informed the Director that ONE is preparing a paper for the Contingency Coordinating Committee and that OCI will draw on this paper in the preparation of the special memorandum requested by the DDCI yesterday.

DD/I said that the paper asked for by the Director assessing the rates of Communist military aid of the North Vietnamese has been jointly prepared with DIA.

DD/I told the Director that the briefing for the NSC on the Soviet military budget is ready for his review.

Godfrey reported that the situation on Cyprus remains precarious. The Director asked Warner to inform Russ Blandford and Bob Michaels this morning that the Agency is prepared to brief on the situation should the committee Chairmen be interested.

DD/S noted that a new proposal on the reallocation of parking spaces is now in the works and will soon be coordinated with the Directorates.

Warner noted that two members of Senator Stennis' staff will visit the Agency today for a briefing on developments in the Soviet navy.
